

Attendee Parking Information – Downtown Saratoga Springs

We encourage all attendees to park in town and bike to the trails. Parking at the intersection of Clinton and Daniels is limited and inadequate. **Parking in the clearing or on the access road will not be available.** Please refer to the attached map to see all of the free parking areas and public restrooms available in downtown Saratoga Springs.

Attendee Parking Information – Skidmore College Campus

We were able to get special permission from Skidmore College to use their campus parking also, which is closer to the trails than downtown Saratoga. When entering the Skidmore campus from the Clinton Ave. entrance, take a right and then the first left (across from the field house). The first two parking lots on the left and right are excellent parking options. Campus security asked me to relay this message...**Please be advised that Skidmore College will not be held responsible for anything lost or broken while you and your vehicle are there so park at your own risk.** We also ask that you be respectful of the Skidmore Campus and leave it in the same condition you found it, please take any trash with you when you leave.

Directions to the Trails
